

## Emergency Medical Technician

Academic agreements are used to identify comparable courses or pathways between educational institutions. This allows students to receive credit at a receiving institution without having to duplicate courses recently completed and to continue their education between schools. In order to receive credit for course work included in these agreements, students must provide a transcript to the receiving institution with a grade "B" or better in the designate course(s). Any additional requirements are stated below.

| <b>Weber State University – Associate of Applied Science in Design Engineering Technology</b> |                                  |                                 | <b>Effective: 7/1/16-6/30/18</b> |
