

DAVIS TECHNICAL COLLEGE ADMISSIONS REQUIREMENTS

To enroll in a Davis Technical College program, students must meet designated admissions requirements. These requirements are set at the skill level needed to be successful in the program.

Admissions requirements are evaluated in the college's [assessment center](#). Requirements may be met by completing assessments on campus or by bringing external documentation. Student Services staff will help you determine if your documentation meets the admissions requirements for your desired program.

If you chose to complete the TABE, no external documentation is required.

Note: Admissions assessments for all programs are waived for students with a Davis Tech Certificate of Completion at an equivalent level or higher or an associate's degree or higher from a regionally accredited college.

Assessment levels are provided on this table; additional information about each level is provided on the next page.

PROGRAM	Reading	Math	Computer Skills Testing Required				
	Language Spelling		Op Sys	Word	Excel	PowerPoint	Keyboarding
Advanced Emergency Medical Technician	Program Prerequisite: Completion of Emergency Medical Technician Program or License

Business Administration Services	A	2					30 wpm
CNC Machining	B	1	X				
Composite Materials Technology	B	2					
Cosmetology	C	2					
Culinary Arts	B	2	X	X			
Cybersecurity	A	1	X	X	X	X	30 wpm
Dental Assisting	A	2	X	X	X	X	30 wpm
Diesel/Heavy Duty Technology	B	2					
Digital Media Design	B	1	X	X	X	X	
Electrician Apprentice	--	3					
Emergency Medical Technician	B	--					
Esthetician	B	2					
Firefighter	B	--					
Hair Designer	C	2					
Health Information Technology	A	2					30 wpm
Heating & Air Conditioning	B	2					
Manufacturing Technology	B	2					
Medical Assistant	A	2					30 wpm
Nail Technician	B	2					
Nurse Assistant	C	--					
Pharmacy Technician	A	2					30 wpm
Plastic Injection Molding	B	2					
Phlebotomy	No Testing						
Plumbing Apprentice	--	3					
Practical Nurse	See program webpage						
Radiology Practical Technician	A	2					
Software Development	A	1	X	X	X	X	30 wpm
Surgical Technology	A	2					
Welding Technology	B	3					

DAVIS TECHNICAL COLLEGE ADMISSIONS REQUIREMENTS

READING, LANGUAGE, AND SPELLING REQUIREMENTS

A **TABE D Raw Scores: Reading 20, Language 19, & Spelling 15** (Grade Level: Reading 10.5, Language 8.4, Spelling 9.5)

Accepted Documentation	Taken within three years:	Accuplacer 90+ GED Language 165+ High school transcript with B or higher in English courses College transcript with B or higher in English 1010
	Taken within five years:	ACT English or Reading 21+ SAT English 1010+

B **TABE D Raw Scores: Reading 19** (Grade Level: Reading 9.1)

Accepted Documentation	Taken within three years:	Accuplacer 65+ GED Language 165+ High school transcript with B or higher in English courses College transcript with B or higher in English 955
	Taken within five years:	ACT English or Reading 17+ SAT English 850+

C **TABE D Raw Scores: Reading 17** (Grade Level: Reading 7.4)

Accepted Documentation	Taken within three years:	Accuplacer 40+ GED Language 165+ High school transcript with C or higher in English courses College transcript with C or higher in English 955
	Taken within five years:	ACT English or Reading 15+ SAT English 550+

MATH REQUIREMENTS

1 **TABE D Raw Scores: Computation 22 & Applied 19** (Grade Level: 12.2)

Accepted Documentation	Taken within three years:	Accuplacer: 93+ High school transcript with B or higher in Math courses College transcript with B or higher in Math 1010
	Taken within five years:	ACT Math 21+ SAT Math 1060+

2 **TABE D Raw Scores: Computation 20** (Grade Level: 9.1)

Accepted Documentation	Taken within three years:	Accuplacer: 40+ GED Math 165+ High school transcript with C or higher in Math courses College transcript with B or higher in Math 950
	Taken within five years:	ACT Math 19+ SAT Math 1010+

3 **TABE D Raw Scores: Computation 16** (Grade Level: 6.7)

Accepted Documentation	Taken within three years:	Accuplacer: 40+ GED Math 165+ High school transcript with C or higher in Math courses College transcript with C or higher in Math 950
	Taken within five years:	ACT Math 17+ SAT Math 930+
